

## **St. Conleth's Parish Newbridge**

### **Update On First Holy Communions**

As per Government regulations outlined in the 'Plan for Living with Covid19' we are not allowed to celebrate public Masses or Ceremonies (except for funerals & weddings) until we return to level 2. Therefore all First Communion ceremonies are postponed. We understand that this is difficult for the children and their families but unfortunately, we have no choice in this matter. As the Parish Team, we too are finding this difficult and are looking at various options for how we celebrate First Communions when we are allowed to do so.
